

Town of Hanna Library Board**COVID-19 Policy: Physical Distancing**

In accordance with the Alberta Government “COVID-19 Information: Guidance for Libraries” document (as of June 9, 2020) the Hanna Municipal Library is taking the steps necessary to encourage and maintain physical distancing of patrons.

- All patrons and staff will be required to wear masks inside the library.
- A physical barrier has been installed at the circulation desk.
- Furniture and seating have been re-arranged or removed to support physical distancing and discourage social gathering.
- The children’s play area will remain closed and communal toys have been removed.
- Physical distancing and directional posters have been placed throughout the building and where necessary physical distancing markers will be put in place.
- Programming has been limited and modified to minimize close contact with the facilitator and to ensure physical distancing from other participants.
- The number of patrons inside the building at one time will be limited.
- Curbside pickup will be available and encouraged to limit the number of patrons inside the library.

Approval Date: August 10, 2020
